Greetings from South Asia! **Thanks so much to all who have prayed and supported me financially!** On March 3, I arrived safely at my destination.

I had great flights, and all my luggage arrived intact! It took me a few weeks of adjusting to South Asia's climate and time change. I have moved to the city which will be my base throughout my stay, and will soon begin traveling all over the country. **Though I have traveled extensively, I am struck with culture shock once again as I experience another way of life, another country, and another way of doing things!** I would not trade it for anything in the world! It is a joy knowing I am where the Lord has placed me. **The Deaf women are eager to have me teach them various things related to their lives, family, ministry, culture and their walk with the Lord!**

*I WILL MAKE YOU A*  
*light* TO THE NATIONS

"It is too small a thing for you to be my servant to restore the tribes of Jacob and bring back those of Israel I have kept. **I will also make you a light for the Gentiles, that my salvation may reach to the ends of the earth.**"

Isaiah 49:6

**On May 20, our 2-by-2 teams sent their first international, cross-cultural 2-by-2 team from here to another Asian country!** We are excited! The team consists of: a family, \*Manjeshua and \*Selah and their two daughters, as well as another Deaf couple. **Please pray for them as they transition to a new country, new culture, new climate, a new written language, and a new sign language!** Pray for their protection, that they will adjust well and remain healthy.

In the small country we are sending them, there are approximately 300,000 Deaf people. Pray for the Holy Spirit to go before them and prepare the way. **Pray the hearts of the Deaf will be open to learn, know, follow, and serve God in their hearts and lives!**

Recently, DOOR held a camp for the 2-by-2 teams. One of the topics was the "Fruit of the Spirit." If we do not have the fruit of the Spirit in our lives, how can we successfully do our ministry? If we do not have love, we cannot use the rest of the fruits of the Spirit. **Love was listed first; therefore, we must have love in order for the other fruits to work in our lives.**

# FRUIT of the SPIRIT

It was a week of renewal, encouragement, and joy. Pray for continued strength and courage as they return back to their places of service. Pray that they would boldly stand firm in their faith and share His Word among their Deaf communities for Christ.

\*Amber, one of the Deaf women leaders of DOOR's 2-by-2 teams, learned how to apply the "Fruit of the Spirit" to her life. **She was struck by the depth of the topic and how it works.** It impressed upon her the need to learn more and pray more.

During camp, there was a workshop on parenting. Amber learned how to teach children to respect and obey their parents in their daily lives. The ladies also learned the process of teaching children self-control and to sit quietly from a young age. **Amber was surprised to learn that you can teach children at a very young age and not wait until they are older.**

Pray that I, Julia, will have wisdom and clarity as I prepare topics to begin teaching and ministering to the Deaf women. I desire to teach clearly so that **each lady may grow stronger in their relationships with their husband and children, in their ministry to other Deaf women in their communities, and in their walk with the Lord.**

THE LORD WILL PROVIDE

As I travel and teach, I would like to video each lesson so I can give the Deaf women resources to carry with them as they assist their husbands in ministry, care for their families, and teach other Deaf women in their communities about Christ. I **need a video camera and the necessary camera accessories**, including a back-up hard drive. Would you prayerfully consider giving a **one-time financial gift towards the purchase of these items?** I will need approximately \$1,200 for everything.

**Send one-time gifts to:**

DOOR International  
Dept. 9012,  
P.O. Box 30516  
Lansing, MI 48909-8016

In the memo, please put:  
Julia Bange - video camera purchase.
