PRAISE & PRAYER

- Praise God that the funds came in and the new laptop has been purchased!
- Please pray for the remaining 40% of my financial support to come in. I especially need monthly donors. My support must reach 100% before I go to Romania.
- Please pray that God will raise up new supporters to partner with me.
- Pray that I will remain in good health and for safe travels as I continue to raise support.

HIS PROVISION

“And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.” Isaiah 65:24

My last newsletter had already been written and was waiting to be printed. In it, I requested one-time donations for a new laptop.

“ Before the request could be sent out, the answer was already on its way! ”

Before the request could be sent out, the answer was already on its way!

A local church in my area was holding Vacation Bible School (VBS). They were looking for an opportunity for the children to raise money to bless someone in ministry. When they heard my need, they asked me if they could raise the funds for my laptop. Not only did God answer prayer just for the laptop, He went above and beyond what I could ask or imagine! **Beyond providing for a new laptop, I also had enough money to cover my moving expenses to Romania! I’m in awe of His provision and timing!**

IN HIS TIMING

In order for me to join the team in Romania, **I still need to raise the remaining 40% of my monthly**

support. I am so close to reaching my goal! Will you help me?

I would love to share God’s heart for the Deaf and what He is doing through sign language Bible translation with your church or small group. Please contact me to set up a time at majestyishisname@hotmail.com. **Those who cannot give, please pray!** Please continue to pray for God’s provision as I prepare to move to Romania!

It is important, essential, and vital that God's Word continue to be translated into sign languages around the world.

"So shall My word be that goes forth from My mouth; **It shall not return to Me void, but it shall accomplish what I please**, and it shall prosper in the thing for which I sent it." Isaiah 55:11

TESTIMONY

A Life Changed

Here is one Deaf man's testimony:

*"I was part of a hearing church in Asia. Though I learned many Bible stories, they did not impact my life. **I did not understand the Bible clearly**, so I left that church.*

*"I began attending a Deaf fellowship and saw God's Word in sign language. **I understood clearly as it was in my heart language** and I was being taught by Deaf leaders for the first time!*

*"As I continued to learn more about Jesus, **I realized I needed to accept Christ as my Savior! My life was completely changed!**"*

"For the word of God is alive and active. Sharper than any double-edged sword." Hebrews 4:12

SIL INTERNATIONAL

Global Sign Languages Team

The Global Sign Languages Team (GSLT) is the area of SIL International that I will be joining in Romania. They work in partnership with DOOR International. **What does the GSLT do?**

- They work with Deaf communities around the world who are translating or want to translate God's Word into their sign language.
- They work with global, national, and regional partners to provide **planning, translation consultant services, training, and other support services.**
- GSLT also does **academic and technological research.**

They are looking forward to me joining their team and helping their work to move forward so the Deaf can receive God's Word in their heart languages!

MY ROLE

As the Administrative Assistant to the Regional Director of the (GSLT) Global Sign Languages Team for Eurasia and Africa, I will be assisting the director in the role of hospitality, serving visitors, and assisting other directors in other areas as needed to provide support to the GSLT.

My responsibilities include:

- assisting with travel arrangements,
- preparing plans and lodging for short-term missionaries,
- acclimating short-term missionaries to the area,
- providing a listening ear/eye to staff and others in Romania,
- and taking care of various administrative details.

I will also be providing support as requested to local and national partners involved in sign language Bible translation.
