RAELEIGH. GABE

serving in Eurasia with DOOR

Summer 2020

*praise & prayer*

- Pray for our daughter, Raeleigh. She is starting university in August. Pray that God will provide for her financial needs. Ask the Lord to give her wisdom as she chooses classes. Most importantly, pray that she would continue to be strengthened in her relationship with Jesus.
- As we consider what God has next for our family, please pray that God will direct us. Pray for wisdom as we decide when is the best time to move to Kenya.
- Pray for the translation work in Eurasia and in Ethiopia. Pray that the teams would remain healthy and that their work would not be hindered as a result of COVID-19.
- Pray that internet connections will be strong so that we are able to continue working with the teams online.

our Eurasia team

*transitions*

I love that God sees the big picture and knows the end from the beginning and is sovereign over it all. We initially purchased tickets that had us leaving Eurasia at the beginning of July but that flight was canceled. We were disappointed but then the restrictions that prevented us from working as a team in the office were relaxed and Josh was able to spend the extra two weeks community testing with the translation team. We were excited to be able to make use of the time in this unexpected way.

After packing up our belongings and saying farewell to the team we departed Eurasia on July 15th. It was sad to say goodbye, but we are excited to see what God has in our future. We had been planning to head to Kenya toward the end of this year. Now given the current situation, we are uncertain of the timing of our next move. We expect that we will be here in the US at least until January. We are happy to have the opportunity to help Raeleigh transition to life in America. We also hope we will have a chance to see many of you. During this time in the US, Josh will continue to work with the Eurasian translation team online.

working together online

I remain confident of this: I will see the goodness of the Lord in the land of the living. Wait for the Lord; be strong and take heart and wait for the Lord. Psalm 27:13-14

## why are the Deaf UNREACHED?

### → Limited access to information through written language

For 90% of Deaf people worldwide, learning to read a spoken language you can't hear is extremely difficult. Most Deaf people acquire very little information through written text.

### → Lack of published (video) Scripture

Out of the 350 sign languages around the world, less than 30 currently have any published Scripture.

### → Unrecognized leaders

Deaf people have little to no opportunity to use their spiritual gifts and are not recognized as possessing ability to lead.

Raeleigh is 18 now and Gabriel is just about to turn 16. They have both booked appointments to go take their driver's permit test.

Raeleigh is excited to start school at George Fox University. She loves languages (she is working on Bulgarian, Japanese, and Spanish), animals, and nature.

Gabriel will continue homeschooling. He loves guitar, computers, and wants to learn more about working on cars.

traveling has changed 

thank you

Wow! In these uncertain times, our financial support has stayed stable. What a motivation to see God providing for us through you. Thank you for your part in this ministry.
