Serving in Kenya with DOOR International

FALL 2021

We shared in our last newsletter that the Eurasia team had completed their goal and published 110 Bible passages. We are grateful Josh was able to travel to Eurasia and attend the celebration for this accomplishment. It was a joy to celebrate the hard work of these individuals.

As much as the translation team would love to continue working until the full Bible is translated, at the moment that is not possible. However, as the team members find other jobs, pray that God will continue to use them. Pray for them as they continue to share the gospel with the Deaf community. Pray that as they show people the translated scriptures and explain about all that God has done for us, people's lives will be transformed. We are very excited to see how God will use his word in the Deaf community. Pray that as the team members interact with other Deaf people, they will see the work that God has done in their lives and want to know more about Jesus. The translation team members are leaders in the church. Pray that the church will grow and thrive under their leadership. Pray that in God's perfect time he will provide the Deaf community with full access to the scripture in their language.

We were in Eurasia when Josh graduated from Africa International University receiving his Masters in Translation in 2019. He recently received his official diploma.

We have been enjoying teaching Ticket to Ride, Carcassonne, Onitama and other board games to those living on campus. Ticket to Ride has quickly become a favorite.

## praise & prayer

- ➔ → Praise the Lord for the completion of the 110 Eurasian Bible passages. Pray that God would work in the people and the church there.
- ➔ → Pray for wisdom and an ability to understand and communicate well with others as Josh works with different translation teams and projects in person and online.
- ➔ → Pray that the Lord would use our family as an encouragement to others around us.
- ➔ → Pray for Gabe as we homeschool 11th grade. Pray for wisdom for Raeleigh as she plans out her next few semesters and possible volunteer opportunities abroad.

## training for new projects

There is a new translation team from Kai\* on the campus here in Kenya. They are in the process of training before they begin translating the Bible into their sign language. They will be here in Kenya for a year as they train and begin translating the Bible. After this they will return to Kai and continue the

translation. Josh has been involved in some of the training of the team. They are very excited to be here and especially excited that the Deaf in Kai will finally have access to

the Bible in a language they truly understand. Pray for the team as they learn new things and adjust to living in a new place and a different culture.
