INDEPENDENT AUDITORS' REPORT

Board of Directors D.O.O.R. International Zeeland, Michigan

We have audited the accompanying financial statements of D.O.O.R. International, which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of D.O.O.R. International as of September 30, 2021 and 2020, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. NATURE OF ORGANIZATION:

Deaf Opportunity OutReach International (D.O.O.R.) is a nonprofit 501(c)(3) organization established in July 1999. D.O.O.R.'s vision is to see every Deaf person transformed by knowing, following and serving God. D.O.O.R.'s mission is to bring God's Word and reproducing Christian fellowships to the Deaf worldwide. D.O.O.R. achieves this mission by recruiting, training and supporting indigenous Deaf leaders to translate the Bible into various sign languages, as well as to evangelize, disciple and plant churches among their own Deaf communities. Funding for these programs is mainly from contributions from individuals, churches, foundations and partner organizations. D.O.O.R. also sends missionaries to support this work. These missionaries are required to solicit contributions to help fund their activities.

D.O.O.R.'s objectives are to:

- Establish an international sign language Bible translation program and develop resources and curriculum for Deaf Christian leaders.
- Establish training programs for Deaf Christian leaders, Deaf translators, and Bible translation consultants.
- Establish evangelism, discipleship, and church-planting programs led by Deaf believers ("2 by 2").
- Establish indigenous, Deaf-led, self-supporting, and reproducing Deaf believers' fellowships.
- Establish national and international associations that promote evangelism, discipleship, leadership training, growth, and reproduction of Deaf believers' fellowships.

D.O.O.R. values:

- Deaf as a people group with a rich language and culture.
- Deaf as leaders and providers of Deaf ministry, giving leadership and direction to the ministry at all levels.
- Chronological Bible Study (CBS) as the best initial spiritual formation resource for Deaf.
- Spiritual unity and the sharing of gifts between Deaf and hearing believers for the purpose of building God's kingdom among the Deaf.

These statements include only D.O.O.R. They do not include the field affiliates because the affiliates do not meet the *Consolidation* topic of the Accounting Standards Codification (ASC) as the field affiliates are governed by separate boards, who have the power to elect field trustees and modify corporate documents. D.O.O.R. does not control the fields but serves as a granting organization to support the worldwide activities of its affiliates. Accordingly, the assets, liabilities, revenue, and expenses of the other sending or receiving countries are not included in these financial statements. Support for the field offices is reported as expense when the receiving country incurs the expense, and is recorded based on natural expense classification rather than a single grant expense on the statements of activities and statements of functional expenses.

2. <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:</u>

BASIS OF ACCOUNTING

The financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader.

Notes to Financial Statements

September 30, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CASH AND CASH EQUIVALENTS

D.O.O.R. considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. These cash and cash equivalent accounts, at times, exceed federally insured limits. D.O.O.R. has not experienced any loss on these accounts and does not believe that it is exposed to any significant risk. At September 30, 2021 and 2020, D.O.O.R. exceeded federally insured limits by approximately \$58,100 and \$417,000, respectively.

ACCOUNTS RECEIVABLE AND OTHER ASSETS

Accounts receivable consists of grant funding for program expenses incurred by D.O.O.R. that have not been reimbursed. All accounts receivable are expected to be collected within one year. Management has determined accounts receivable are collectable, therefore no allowance has been recorded.

Other assets consists mainly of prepaid expenses.

AFFILIATE ADVANCES

Affiliate advances are funds sent to the field offices that have not yet been spent. D.O.O.R. records expenses for the field advances based on natural classification of expenses at the time of expenditure.

INVESTMENTS

Investments consists of money market funds and exchange traded funds. Money market funds are held at cost. Exchange traded funds are held at fair value.

FAIR VALUE MEASUREMENTS

D.O.O.R. determines fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

Level 1

Quoted prices in active markets for identical assets or liabilities.

Level 2

Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities.

Level 3

Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Notes to Financial Statements

September 30, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FAIR VALUE MEASUREMENTS, continued

D.O.O.R. uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, D.O.O.R. measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. All investments are either held at cost or are Level 1, and there are no Level 2 or Level 3 investments for the years ended September 30, 2021 and 2020.

PLEDGES RECEIVABLE

Pledges receivable are recognized as income when made and reported at fair value based upon estimated future cash flows. Management has determined all pledges receivable are collectable, therefore no allowance has been recorded. Additionally, management has determined a discount on pledges receivable would be immaterial, and a discount has not been recorded. Pledges receivable are as follows:

		Septen	nber 3	0,		
	2021			2020		
Pledges receivable expected to be collected in: Less than one year One to five years	\$	334,990 230,000	\$	560,360 515,000		
	\$	564,990	\$	1,075,360		

LAND, BUILDINGS, AND EQUIPMENT-NET

Land, buildings, and equipment—net is recorded at cost or, for donated assets, at the estimated fair value at the date of the gift. Donations are reported as without donor restrictions unless the donor has restricted the donated asset for a specific purpose. It is D.O.O.R.'s policy to capitalize all assets over the amount of \$5,000.

Depreciation is calculated using the straight-line method. The useful lives adopted for computing depreciation range from 3 to 39 years.

DEFERRED REVENUE

Deferred revenue is funding received in advance of expenditures. D.O.O.R. recognizes income as the funds are spent in accordance with the grant agreements.

USE OF ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes to Financial Statements

September 30, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

CLASSES OF NET ASSETS

The financial statements report amounts separately by class of net assets:

Net assets without donor restrictions are currently available for operational purposes and amounts designated by the board of directors for specific use.

Net assets with donor restrictions are stipulated by donors for specific operating purposes or programs, with time and purpose restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

CONTRIBUTIONS AND RECLASSIFICATIONS

Contributions are recognized when the contribution is made, which may be when cash is received, when an unconditional promise is made, or when ownership of an other asset is transferred to D.O.O.R.

D.O.O.R. reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or a purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. A 7.5% assessment for management and general and fundraising costs was applied against gifts with donor restrictions for the years ended September 30, 2021 and 2020.

D.O.O.R. reports gifts of land, buildings, and equipment as without donor restrictions support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, D.O.O.R. reports expiration of donor restrictions when the assets are placed in service.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation are recorded in the financial statements at their estimated fair values in the period received. Volunteers also provided other services throughout the year that are not recognized as contributions in the financial statements since the recognition criteria were not met. The value of those volunteered services has not been estimated. Contributions of non-cash goods are also recorded in the financial statements at their estimated fair value in the period received.

GRANTS

Grants consists of funds received from the Seed Company for various projects. Grant revenue is reported at the amount that reflects the considerations to which D.O.O.R. expects to be entitled in exchange for providing goods and services. Revenue is recognized as performance obligations are satisfied, which is as the services are performed.

Notes to Financial Statements

September 30, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FUNCTIONAL ALLOCATION

The costs of providing the various program services and supporting activities of D.O.O.R. have been summarized on a functional basis in the statements of activities and statements of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. D.O.O.R. allocates expenses based on staff time spent on each respective function. There were no joint costs for the years ended September 30, 2021 and 2020.

ADVERTISING COSTS

D.O.O.R. expenses advertising costs as they are incurred.

RECENTLY ADOPTED ACCOUNTING STANDARDS

In 2018, the Financial Accounting Standards Board (FASB) issued ASU No. 2018-08, which updates the *Not-for-Profit Entities* topic of the FASB Accounting Standards Codification (ASC). This ASU clarifies the scope and accounting guidance for contributions made. D.O.O.R. adopted the provisions of this new standard during the year ended September 30, 2021, and has implemented the guidance on a modified retrospective approach, meaning, changes are only applied to the portion of expense that has not yet been recognized before the adoption of this ASU and there is no impact to change in net assets or net assets in total for the years ending September 30, 2021 and 2020.

In 2018, the FASB issued ASU No. 2018-13, Fair Value Measurement (topic 820): Changes to the Disclosure Requirements for Fair Value Measurement. D.O.O.R. adopted the provisions of this new standard during the year ended September 30, 2021. Adoption of this new standard had no effect on change in net assets or net assets in total for the years ending September 30, 2021 and 2020.

PAYCHECK PROTECTION PROGRAM LOAN

D.O.O.R. obtained a Paycheck Protection Program loan administered by the Small Business Administration (SBA) under the U.S. Coronavirus Aid, Relief, and Economic Security (CARES) Act. This unsecured note, dated April 30, 2020, is in the amount of \$211,300 with a fixed interest rate of 1%. During the year ended September 30, 2020, D.O.O.R. recognized the full amount as a contribution in accordance with ASU 2018-08. During the year ended September 30, 2021, D.O.O.R. received certification of loan forgiveness from the SBA for the full amount.

D.O.O.R. is substantially supported by contributions, which at times are received with donor restrictions. Those contributions with donor restrictions require resources to be used in a particular manner or in a future period. D.O.O.R. must maintain sufficient resources to meet those responsibilities to its donors. D.O.O.R. has established guidelines for making decisions related to managing cash reserves in a prudent manner. D.O.O.R. also has board designated funds which are designated as an operating reserve. With board approval, the board designated funds could be made available for general expenditures as needed for up to 12 months following approval. As of September 30, 2021 and 2020, these board designated funds remained in investments.

Management has reviewed the assets in other countries and, in its opinion, determined they are under control and ownership of D.O.O.R. While such items are recognized as assets of D.O.O.R., it should be noted that the political situation in many other countries is subject to rapid change. Therefore, the reader should be aware that, while D.O.O.R. believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the realizable value of the assets in other countries. In addition, it should be understood that the carrying value of the assets in other countries may not be representative of the amount that would be realized should the assets be sold.

12. RISKS AND UNCERTAINTIES:

In March of 2020, the World Health Organization declared the outbreak of the coronavirus (COVID-19) as a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of D.O.O.R. for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve.

13. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through January 18, 2022, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
