

Dear Friend of DOOR,

November 16, 2022

**Never before in DOOR's history have over 60 Deaf leaders been officially commissioned.** Last month, this happened! This bold step equips these leaders as full ministers of the gospel and empowers them to officiate at ceremonies.

In the past, Deaf leaders were only able to officiate alongside a commissioned hearing leader in order to be recognized by local churches. After this event, they are now equipped and empowered to conduct these ceremonies alone.

**This is cause for celebration and praise!**

DOOR is fast-forwarding in ministry today. After months of training, these leaders are working in the field as disciple-makers to bring the Gospel to unreached Deaf people. **Would you join us in supporting this life-changing work with a year-end gift?**

● **UNEQUIPPED**

More than 60 Deaf leaders were commissioned in South Asia!

● **UNTRAINED**

A disciple-making movement is fast-forwarding in Deaf people groups to see other Deaf reached for Christ.

● **IMPOSSIBLE**

God is opening doors in the Middle East and other countries long hostile to the Gospel.

● **UNCHANGED**

DOOR has trained over 190 Deaf leaders and planted 74 Deaf-led churches so far in 2022.

● **UNREACHED**

In 2023, DOOR will be starting ministry in places we've never gone before: West Asia, South America and more!

**What was once thought impossible is now moving forward!**

As we move into 2023, your financial support and prayers are needed as DOOR expands and gains presence in key locations.

Grateful for your consideration,

Rob Myers, President/CEO  
DOOR International
